

Going to Bounce U

Bounce U is a fun place for me to play.

When I arrive, I will listen to the party pro, and I will do what they tell me. The party pro may be a young woman or a young man. The party pro is the person who works at Bounce U.

I will follow all the rules.

It is important to take my shoes off but keep my socks on before I can play. I will put my shoes in a cubby, and put them back on when we are all done at Bounce U!

Sometimes, I have to wait my turn before I can go on one of the bouncing machines.

When it is my turn, I will have fun on the bouncing

machine.

When I am finished playing, I will go home.
